

Json::writeString

```
graph LR; A[Json::writeString] --> B["Json::StreamWriter  
::Factory::newStreamWriter"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'Json::writeString'. A blue arrow points from the right side of this box to the left side of a white box on the right. The white box contains two lines of text: 'Json::StreamWriter' on the top line and '::Factory::newStreamWriter' on the bottom line. Both boxes have a thin black border.

Json::StreamWriter  
::Factory::newStreamWriter
